All prices are in DKK, per participant and arrangement, valid for groups of min. 15 participants. Prices include all services and equipment rental as stated above. Prices exclude transportation to/from the activity venue and insurance.

The prices are excl. VAT (items under reverse-charge scheme based European Council Directive 2006/112/EC on the common system of VAT).

***Program combination:** As the bike, canoe and raft rental is charged on **daily** basis, we quote also rates of the reduced **half day**

program combinations: The group is divided in two equal subgroups. In the morning, the first subgroup uses the rented equipment while the other one experiences a complementary activity (climbing, canoeing, orienteering etc.). In the afternoon **the same equipment** is used by the other subgroup while the first one experiences the same complementary activity.

Discovery guide stays with a group at the hotel if the accommodation and at least 3 activities are booked with Discovery.
